THANK YOU!

Bella Chocolate

Massive thank you to Anna at Bella Chocolate UK who donated 5% from all Mothers Day sales to GCF!

Do you think we should have a Bella Chocolate Fundraiser? Well, One4Growth will be hosting a Facebook LIVE on our page with Bella to do one on Wednesday 6th May at 8pm for just £15pp - with £5 going to GCF and £10 covering the cost of the chocolates. It will include a box of 4 chocolates, 5 tasting bags plus 2 surprises! We will pin details to book to our Facebook shortly! Or message us for more details!

St Ninians High School Pupils

Thank you sooo much to the pupils of St Ninians in Giffnock, who took part in the initiative with YPI Scotland and won a £3000 grant for Glasgow Care Foundation!

You have big hearts and bright futures!

Granny Bubbles

We are overwhelmed with the support from Linda Harcus of Granny Bubbles up in Orkney.

She will be hosting 10 demos with her ENJO UK products (yes you will be saving the planet too!) from the 22nd April for 4 days.

She will donate 5% of all sales up to £1000 and then 10% for all sales over that!

You are a true superstar *

HOW YOU CAN HELP

Fancy fundraising but not sure how to - especially in lockdown?

#WFH

Working from home? Why don't you donate the money you are saving on your daily commute for a week, month or longer! Maybe you can get your colleagues involved to!

Celebrations

Birthday Bar – Restrictions stopping you having a proper birthday party? Get all your friends to donate the price of a drink they would buy you on your birthday!

Events – while we can't meet in person why not add £1 to all online events and donate to GCF?

Health & Fitness

Walk or Run at Home – Marathon, 5k, 10k
Climb a Mountain – Use your stairs at home to climb Ben Nevis or even Everest!

Get the kids involved! How many Hop, Skip & Jumps can you do?

You can find lots of hints and links here:

Charity of the Year

A huge help to GCF is being chosen as a companies COTY. We work with a lot of small companies that run a few events a year and help multiple families by doing so. You are never too small to help!
